### 1 General

#### 1.1 Operations

Godavari Biorefineries BV is a Dutch private company with limited liability incorporated on Jan 26, 2009 and has its statutory seat in Amsterdam, the Netherlands. The operations of the Company mainly comprised of commissions in the field of chemicals, alcohol, sugar and sugar products, agro products and related heavy chemicals, organic, bio-chemical and bio-technical products. The Company issues commission invoices to Godavari Biorefineries Ltd (ultimate parent company) for sales done by the ultimate parent company. The ultimate parent company is Godavari biorefineries Limited located in Mumbai, India

#### 1.2 Changes in accounting policies

There are no change in accounting policies during the period April 2022 to March 2023.

#### 1.3 Related-party transactions

All legal entities that can be controlled, jointly controlled or significantly influenced are considered to be a related party. Also, entities which can control the Company are considered as a related party. In addition, statutory directors, other key management of Godavari Biorefineries B.V. and close relatives are regarded as related parties.

Significant transactions with related parties are disclosed in the notes insofar as they are not transacted under normal market conditions. The nature, extent and other information is disclosed if this is required for to provide the true and fair view.

#### 1.4 Going concern

These financial statements have been prepared on a going concern basis, which is the basis for valuation and determination of results and assumes that the Company will be able to realize its assets and discharge its liabilities in the normal course of business.

The equity of the Company amounted to EUR 1,500,263.

### 2 Accounting policies for the balance sheet

#### 2.1 General information

The financial statements have been prepared in accordance with the statutory provisions of Part 9, Book 2, of the Dutch Civil Code and the Guidelines for Annual Reporting in the Netherlands for small legal entities as issued by the Dutch Accounting Standards Board.

In general, assets and liabilities are stated at the amounts at which they were acquired or incurred, or lower realizable value. If not specifically stated otherwise, they are recognized at the amounts at which they were acquired or incurred. The balance sheet and income statement include references to the notes.

## Notes to the financial statements (continued...)

### 2 Accounting policies for the balance sheet (continued...)

#### 2.2 Foreign currencies

##### *Functional currency*

The financial statements are presented in euros, which is the functional and presentation currency of Godavari Biorefineries B.V.

##### *Transactions, receivables and debts*

Foreign currency transactions in the reporting period are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the rate of exchange prevailing at the balance sheet date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at period-end exchange rates are recognized in the Profit and Loss account.

#### 2.3 Property, plant and equipment

Furniture and fixtures are valued at historical cost, less straight-line depreciation over their estimated useful lives and impairment losses.

#### 2.4 Receivables

Trade receivables are recognized initially at fair value and subsequently measured at revalued figures. If payment of the receivable is postponed under an extended payment deadline, fair value is measured on the basis of the discounted value of the expected revenues. Interest gains are recognized using the effective interest method. A provision is raised when a trade receivable is considered uncollectable. It is written off against the allowance account for trade receivables.

#### 2.5 Cash and cash equivalents

Cash and cash equivalents include cash in hand, bank balances and deposits held at call with maturities of less than 12 months. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet. Cash and cash equivalents are stated at face value.

#### 2.6 Inventories

Raw materials and consumables are stated at the lower of cost and net realizable value.

Inventories of finished or partially finished goods are stated at the lower of manufacturing price and net realizable value. Manufacturing price comprises all purchase or conversion costs, and other costs incurred in bringing the inventories to their present location and condition. Conversion cost includes direct labour costs and mark-ups for fixed and variable production overheads, including costs of the production planning department, maintenance division and internal logistics.

Net realizable value is the estimated selling price in the ordinary course of business, less applicable variable selling expenses. Net realizable value is determined making allowance for obsolescence of inventories.

Inventory in transit can be specified as material ordered and shipped but not yet received by Godavari Biorefineries B.V. in the port of The Netherlands.

**3 Accounting policies for the income statement**

**3.1 General information**

Profit or loss is determined as the difference between the reliable value of the goods delivered and services rendered, and the cost and other charges for the year. Revenues on transactions are recognised in the year in which they are realized.

**3.2 Revenue recognition**

*Sale of goods*

Revenue from sales of goods is recognised when all significant risk and rewards incidental to the ownership of the goods have been transferred to the buyer.

*Sale of services*

Revenue from sale of services is recognised under the percentage of completion method based on the services performed to the balance sheet date as a percentage of the total services to be performed.

**3.3 Exchange differences**

Exchange differences arising upon the settlement or conversion of monetary items are recognised in the profit and loss account in the period that they arise.

**3.4 General and administrative expenses**

General and administrative expenses comprise costs chargeable to the year that are not directly attributable to the cost of the goods sold.

**3.5 Depreciation**

Property, plant and equipment are depreciated over their estimated useful lives as from the inception of their use. Land and investment property are not depreciated. Future depreciation and amortisation is adjusted if there is a change in estimated future useful life.

Gains and losses on sales of property, plant and equipment are included in profit and loss account.

**3.6 Employee benefits**

*Short-term employee benefits*

Salaries, wages and social security contributions are taken to the profit and loss account based on the terms of employment, where they are due to employees.

**3.7 Finance income and costs**

*Interest paid and received*

Interest paid and received is recognized on a time-weighted basis, taking account of the effective interest rate of the assets and liabilities concerned.

**3.8 Income tax expense**

Income tax is calculated on the profit/loss before tax in the profit and loss account, taking into account any losses carried forward from previous financial years, tax-exempt items and non-deductible expenses.

### 4 Financial instruments and risk management

#### 4.1 Price risk

##### *Currency risk*

Godavari Biorefineries B.V. mainly operates in the European Union. The currency risk for Godavari Biorefineries B.V. largely concerns positions and future transactions in US dollars. Management has determined, based on a risk assessment, that these currency risks need not to be hedged.

##### *Interest rate and cash flow risk*

Godavari Biorefineries B.V. incurs interest rate risk on receivables, cash and current liabilities.

#### 4.2 Credit risk

Godavari Biorefineries B.V. does not have any significant concentrations of credit risk. Sales are made to customers that meet the Company's credit rating. Goods and services are sold subject to payment deadlines ranging between eight and 30 days. A different payment period may apply to major supplies (90 days), in which case additional securities are demanded, including guarantees.

#### 4.3 Liquidity risk

Godavari Biorefineries B.V. uses several banks in order to avail itself of a range of overdraft facilities. Where necessary, further securities will be furnished to the bank for available overdraft facilities.

We were engaged to audit the accompanying financial statements for the period ended 31 March 2023 of Godavari Biorefineries B.V. based in Hoofddorp.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of Godavari Biorefineries B.V. for the period ended 31 March 2023 and of its result for the period 1 April 2022 up to and including 31 March 2023 in accordance with Part 9 of Book 2 of the Dutch Civil Code.

The financial statements comprise:

- the balance sheet as at 31 March 2023;
- the profit and loss account for the period 1 April 2022 up to and including 31 March 2023 and
- the notes comprising a summary of the accounting policies and other explanatory information.

#### Basis for our opinion

We conducted our audit in accordance with Dutch law, including the Dutch Standards on Auditing. Our responsibilities under those standards are further described in the 'Our responsibilities for the audit of the financial statements' section of our report.

We are independent of Godavari Biorefineries B.V. in accordance with the Verordening inzake de onafhankelijkheid van accountants bij assurance-opdrachten (ViO, Code of Ethics for Professional Accountants, a regulation with respect to independence) and other relevant independence regulations in the Netherlands. Furthermore we have complied with the Verordening gedrags- en beroepsregels accountants (VGBA, Dutch Code of Ethics).

#### Other matter paragraph

This auditor's report is intended solely for Godavari Biorefineries B.V. and shareholder's. This auditor's report is provided solely in the context of the Board of Directors and shareholder's and should therefore not be used for other purposes.

## C. Description of responsibilities regarding the financial statements

### Responsibilities of management for the financial statements

The management is responsible for the preparation and fair presentation of the financial statements in accordance with Part 9 of Book 2 of the Dutch Civil Code. Furthermore, the management is responsible for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

As part of the preparation of the financial statements, management is responsible for assessing the company's ability to continue as a going concern. Based on the financial reporting framework mentioned, management should prepare the financial statements using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Management should disclose events and circumstances that may cast significant doubt on the company's ability to continue as a going concern in the financial statements.

### Our responsibilities for the audit of the financial statements

Our responsibility is to express an opinion on the financial statements based on conducting the audit in accordance with Dutch law, including the Dutch Standards on Auditing.

Our objective is to plan and perform the audit engagement in a manner that allows us to obtain sufficient and appropriate audit evidence for our opinion.

Our audit has been performed with a high, but not absolute, level of assurance, which means we may not detect all material errors and fraud during our audit.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. The materiality affects the nature, timing and extent of our audit procedures and the evaluation of the effect of identified misstatements on our opinion.

We have exercised professional judgement and have maintained professional scepticism throughout the audit, in accordance with Dutch Standards on Auditing, ethical requirements and independence requirements.

For a further explanation of our responsibilities and audit procedures, we refer to the website of the NBA: Koninklijke Nederlandse Beroepsorganisatie van Accountants: <http://www.nba.nl/ENG> algemeen 01.
